Having Fun with Little Ones Together in Elmwood Child-Parent Coalition TIE Tykes Programs

A place to meet other parents and caregivers, children can enjoy creative playtime, circle time, craft time and enjoy a healthy snack together. Follow TIE Tykes on Facebook!

Free crafts, cooking, fitness, and literacy programs and field trips, too? If you have not already heard of **TIE Tykes**, you'll want to check it out while you are taking care of young children. This wonderful program for 0-5 year-olds and their parents/caregivers is offered in our neighbourhood at no cost. It is easy to join, because TIE Tykes has a regular drop-in schedule held at three near-by locations. Simply stop in for a visit and learn more about up-coming activities.

This October, TIE Tykes rented a bus for everyone to attend a field trip on a farm outside of the city. The group enjoyed this fun and free field trip! TIE Tykes also held a clothing swap. families could simply picked-up or drop off snowsuits and clothing to keep cozy! These programs and many more can be found on their calendar, or by stopping by TIE Tykes! For more information contact: Leilani at tietykes@gmail.com or 204-890-3282

Youth Enjoy After School Programs in the Neighbourhood!

The Youth in Elmwood Arts and Recreation (YEAR) Program program offered by Elmwood Community Resource Centre is an after school drop-in program providing youth with a supportive, safe place to learn and grow, featuring multi-cultural teaching as well

as arts and crafts, nutrition, recreational activities and life skills training.

YEAR's main goal is to keep the youth (age 12-17) involved in our community. They strongly believe when a person feels good about themselves and their achievements and that it will encourage them to make informed and positive life choices. Self-esteem is essential in a youth's life and the YEAR program aims to build their self-esteem with a lot of encouragement, positive role modelling, and mentoring.

For more information contact **204-982-1720 ext. 309**
