

# Volunteers Wanted!

Frontier College is looking for **energetic, dedicated** volunteers, from the Elmwood Area, who are interested in a rewarding experience working with school aged children.

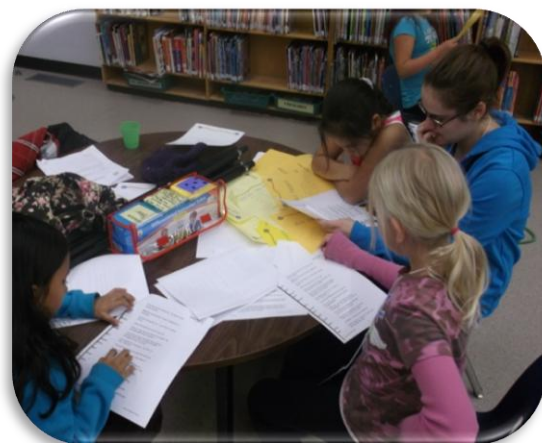

From January to May 2014, we will be running the following programs at Lord Selkirk School:

- **Bookworms 3:30 to 5:00 Tuesdays (Grades 1 to 4)**
- **Visual Storytelling 3:30 to 5:00 Mon or Wed, TBD (Grades 5 to 6)**

Through these exciting programs our aim is to improve literacy skills by: helping students with homework, reading for pleasure, creating & sharing stories, and playing literacy games!

If you are interested in becoming a volunteer and being a part of something special, please call **Jessie Robinson** at **204-253-7993**.

**IMPORTANT NOTE:** All volunteers are required to go through the following screening measures prior to starting in the programs: **Interview, Reference Checks, Police Record Check** with Vulnerable Sector Search, **Training & Orientation**.

Financial support for this project has been generously provided by the **Province of Manitoba – Housing and Community Development, Neighbourhoods Alive! Neighbourhood Renewal Fund.**
