***Management report for the year ended March 31, 2023***

Dear Board Members:

At the request of Chalmers Neighbourhood Renewal Corporation for the year ended March 31, 2023 we are providing you with this management letter.

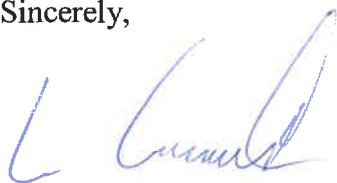

The objective of our audit was to express an opinion on the financial statements. Included in our audit was the consideration of internal control relevant to the preparation and fair presentation of the financial statements. This consideration of internal control was for the purpose of designing audit procedures that were appropriate in the circumstances. It was not for the purpose of expressing an opinion on the effectiveness of internal control or for identifying all significant control deficiencies that might exist.

We are pleased to advise the Board that the records of the organization are very well maintained and the number of adjustments required during the performance of the audit have been few. We have also not found any matters from an internal control perspective that we wish to identify for the Board.

Therefore, we are pleased to report that based on the representations of management that we have concluded no matters have come to our attention during the course of our audit.

This communication is prepared solely for your information and is not intended for any other purpose. We accept no responsibility to a third party who uses this communication.

Sincerely,

Ken Haworth, CPA, CGA  
Haworth & Company
