**H) I agree and understand that:**

1. This property is in the Chalmers neighborhood (Henderson Highway to the west, Munroe Avenue to the north, Raleigh Road to the east and as you enter the south boundary of the neighbourhood from Watt near the Nairn Avenue overpass or from the Disraeli or the Louise bridges).

2. The mortgage, property tax and insurance payments on this property are current and up-to-date.
3. I have completed this form and have attached TWO quotes from a contractor with a registered business and references for each quote.
4. I cannot be paid for any expenses I had before the grant is approved.
5. My grant will get priority depending on the kind of project and how urgent it is. I will ask the Housing Manager if I have any questions.
6. The CCRI Housing Advisory Group will decide who gets the grants. If I get a grant, I will get an approval letter. I will not start work or purchase materials before I get the **approval letter**.
7. If I need a permit, it is up to me to get one from the City of Winnipeg. I will call 311 before I start my work to make sure that I am obeying the rules of the City.
8. Projects must be completed by the deadline stated on the approval letter to get the grant. If I think there will be a delay, I will contact the Housing Manager ahead of time.
9. My grant will be paid only when the project is completed, the receipts from the contractor and the 'after' photos are handed in, and the site has been inspected by a CCRI staff person.
10. For landlords: I must meet legal standards of health and safety in my rental property and a CCRI staff person may need to inspect the property. I must agree not to apply for a major-improvements rent increase based on the work carried out with this grant.
11. I will not hold the Chalmers Neighbourhood Renewal Corporation and/or the inspector who does the site inspections on behalf of CNRC responsible or liable for any recommendations that are given in regard to the repair, contractors, permits or anything else related to the home repair grant program.
12. I declare that the information given in this application is true.
13. My grant application will be safely stored to keep my information private.
